## Making the Case:

- » Emphasize the specific skills you'd like to develop or any relevant problems that can be addressed at the Healthier Texas Summit. Connect the projects you and your team are working on with the tracks that can improve and support your work.
- » Offer to take detailed notes and bring back informative materials to your colleagues as well as deliver a short presentation. This makes your attendance valuable to your coworkers as well.
- » Share the schedule and speakers with your colleagues. Together, you can decide which sessions to attend and which speakers might be helpful to connect with.
- » Estimate the expenses for the Healthier Texas Summit. Find ways to reduce the costs such as taking advantage of Early Bird Registration, applying for the Summit Scholarship, and staying at a hotel near a **MetroRail stop** outside of downtown.
- » Are your industry or competitors going to be there? These groups and many more were represented at last year's Summit:

*Arthur J. Gallagher • Blue Cross and Blue Shield of Texas • Blue Zones Project by Healthways • Dell Children's Medical Center of Central Texas • Dell Medical School • H-E-B • Humana • NASA Johnson Space Center • Rackspace • Representatives from 36 Texas ISDs including Austin ISD, Dallas ISD, Northside ISD • Seton Family of Hospitals • St. David's Healthcare • Texas A&M University • The University of Texas at Austin • USAA • Valero Energy Corporation*

## Sample Email or Letter:

Hi, [MANAGER],

I am requesting your support to attend the **Healthier Texas Summit** from November 6th-7th, 2017 in Austin, Texas. Powered by The University of Texas System and IT'S TIME TEXAS, the Healthier Texas Summit is a two-day event for Texas' thought leaders and health champions to share best practices, discuss current trends and innovations in population and community health, and make connections that will catalyze their work.

The Healthier Texas Summit offers informative sessions, town hall conversations, and interactive workshops. With more than 35 sessions to choose from, it will be possible for me to create a schedule that is tailored to our work. If I receive your support, I plan to share the Summit schedule and speakers with my coworkers to identify which sessions and speakers are valuable to the team and organization as a whole. I believe this is a beneficial opportunity to network with and learn from Texas' most dedicated and innovative health professionals.

My attendance will cost about [COST], including travel, lodging, meals, and registration. The \$\_\_\_ registration fee includes my entire participation in the conference. I will ensure my duties are covered while I am gone and will take detailed notes and give a brief presentation for our team when I return.

Thank you for considering my request. I would love to discuss this opportunity more if you have any questions or concerns!

Best,

[NAME]
